

Articulation Agreement

between

Community College of Allegheny County

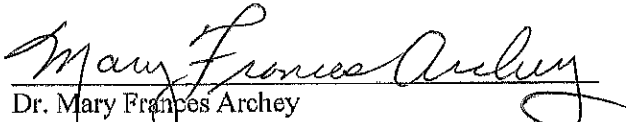

and

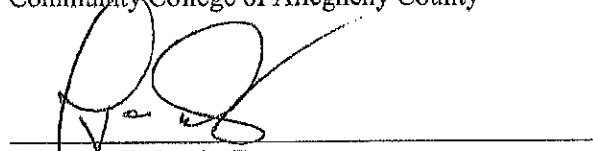

University of Pittsburgh

School of Social Work

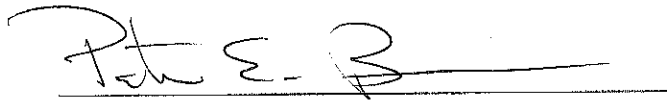

July 1, 2012

We the undersigned, representing Community College of Allegheny County and the University of Pittsburgh, hereby agree to abide in good faith by the following agreement.

Dr. Mary Frances Archey
Vice President for Learning and Student Development
Community College of Allegheny County

Dr. Larry E. Davis, Dean
Donald M. Henderson Professor
School of Social Work
University of Pittsburgh

Dr. Alex Johnson
President
Community College of Allegheny County

Dr. Patricia E. Beeson
Provost and Senior Vice Chancellor
University of Pittsburgh

**Articulation Agreement
between
Community College of Allegheny County
and
University of Pittsburgh
School of Social Work**

The Community College of Allegheny County (CCAC) and the School of Social Work (SSW) at the University of Pittsburgh recognize the need and importance of facilitating the transfer of students from one institution to the other as they pursue their educational goals. In an effort to ensure transfer students be treated on an equal basis, and to make full resources of both institutions available to the students, the college and the school enter into the following articulation agreement.

Admissions Process:

Students who are pursuing a CCAC Associate in Science (Social Work Technician) as described in the 2012-2013 Catalog of the Community College of Allegheny County will follow the academic program specified by CCAC. Once complete, the student will submit the University of Pittsburgh Transfer Application and the School of Social Work Admissions Application, along with all required official academic transcripts and documents to the University of Pittsburgh. Complete instructions for the University of Pittsburgh Transfer Application are included online at <http://www.oafa.pitt.edu/transadm.aspx>. The application may be completed online, or downloaded and mailed with the application fee to the University of Pittsburgh, Office of Admissions and Financial Aid, 4227 Fifth Avenue, Pittsburgh, PA 15260. The application for admission to the BASW Program at the University of Pittsburgh is available online at http://www.oafa.pitt.edu/trans_procedures.aspx. A copy of the document should be downloaded, and completed materials should be mailed to the University of Pittsburgh, Office of Admissions and Financial Aid, 4227 Fifth Avenue, Pittsburgh, PA 15260.

Minimum of 2.00 GPA on a 4.0 scale. Admissions decisions will be made after individual review of each student's record.

NOTE:

To be considered for transfer credit, all courses must be evaluated and approved by the BASW Program Director, or his or her designate, in consultation with the Associate Dean for Academic Affairs. Transfer credits are not used in computing the student's cumulative GPA or BASW GPA.

Transfer credits are also subject to the following guidelines and limitations:

- Credits earned by the student at CCAC will be accepted only if the quality of the credits earned is at least a C grade or better, per University of Pittsburgh Transfer Credit Policy.
- Academic credit for field work will be awarded only for field work completed at an undergraduate social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- Courses for which credit is sought must correspond with those offered by the University of Pittsburgh in objectives and content, as explicated in the University of Pittsburgh's [The Pitt Connection](#) (PDF).

- The number of credits reduced or granted for a given course can neither exceed the number on the official transcript from the School where they were earned, nor the number earned in the corresponding course at the University of Pittsburgh.
- No transfer credits can be part of the final thirty credits required for the BASW degree. The final thirty credits must be earned in residence at the University of Pittsburgh.
- All transfer credits are subject to re-evaluation if and when the student transfers from one school to another within the University of Pittsburgh.
- Not more than 60 credits can be transferred from CCAC to the University of Pittsburgh, according to the University of Pittsburgh Transfer Credit Policy.
- If a course for which transfer credit has been awarded is repeated, the transfer credit is cancelled and the student must enroll in another course to make-up those transfer credits.
- Transfer credits awarded by the University of Pittsburgh's College of General Studies from the College Level Examination Program (CLEP) will be accepted consistent with the aforementioned policies.
- Transfer credits awarded by the University of Pittsburgh's Dietrich School of Arts and Sciences for advanced placement will be accepted consistent with the aforementioned policies.
- Consistent with the Council on Social Work Education's Educational Policies and Accreditation Standards, the School of Social Work's BASW Program does not grant transfer credits or exemptions for prior life or employment experience.
- Transfer credits for liberal arts courses in which the student has received a C grade or better do not have a statute of limitations, though the BASW Program reserves the right not to accept liberal arts courses for transfer if the content is deemed outdated.
- Transfer credit for social work courses in which the student has received a C grade or better must have been completed within the previous seven academic calendar years at a social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- Transfer credits will be calculated by the Administrative Support Staff person assigned to the BASW Program, and included in the student's permanent record prior to registration for the Spring Term following the student's matriculation into the BASW Program.

For admission to the Bachelor of Arts in Social Work program (BASW), an applicant must meet the following requirements:

Completion of 60 transferable credits and/or completion of the Associate of Science (Social Work Technician) program at CCAC. The distribution of liberal arts credits should be as follows:

Humanities	9 crs.
Natural Sciences	9 crs.
Social Sciences	9 crs.
Other courses (preferably in the social sciences)	33 crs.

CCAC Courses Which Will Fulfill Specific Social Work Requirements:

Humanities Requirements:

The following CCAC Social Work Technician degree requirements, successfully completed, can also meet a Pitt SSW humanities requirement: the 3 credit required speech elective taken during the third full time semester (see CCAC 2012-2013 Catalog, pg. 93).

Natural Sciences Requirements:

The following CCAC Social Work Technician degree requirements, successfully completed can meet Pitt SSW natural sciences requirements; CCAC CIT 100 Introduction to Computers; and the 3-4 credit required mathematics elective taken during the third full time semester (see CCAC 2012-2013 Catalog, pg. 93).

Social Sciences and Other Requirements:
