Articulation Agreement
Between
Butler County Community College
and
University of Pittsburgh
School of Social Work

Butler County Community College (BC3) and the School of Social Work at the University of Pittsburgh recognize the need and importance of facilitating the transfer of students from one institution to the other as they pursue their educational goals. In an effort to ensure transfer students be treated on an equal basis, and to make full resources of both institutions available to the students, the college and the school enter into the following articulation agreement.

Admissions Process:

Students who are pursuing an Associate's Degree will follow the academic program specified by BC3 as listed here: https://www.bc3.edu/programs-classes/degrees-certificates/social-behavioral-sciences/social-work.html. Once complete, the student will submit the University of Pittsburgh Transfer Application and the School of Social Work Admissions Application, along with all the required official academic transcripts and documents to the University of Pittsburgh. Complete instructions for the University of Pittsburgh Transfer Application are included online at https://admissions.pitt.edu/transfer/. The application must be completed online. In addition, the application requirements for the School of Social Work are here: BASW: Applications Process | School of Social Work | University of Pittsburgh.

A minimum QPA of 2.5 on a 4.0 scale is required. An admissions decision will be made after an individual review of each student's record.

NOTE:

To be considered for transfer credit, all courses must be evaluated and approved by the BASW Program Director, or their designate, in consultation with the Associate Dean for Academic Affairs. Transfer credits are not used in computing the student's cumulative QPA or BASW QPA.

Transfer credits are also subject to the following guidelines and limitations:

- Credits earned by the student at BC3 will be accepted only if the quality of the credits earned is at least a C grade or better, per University of Pittsburgh Transfer Credit Policy.
- Academic credit for fieldwork will be awarded only for fieldwork completed at an undergraduate social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- Courses for which credit is sought must correspond with those offered by the University of Pittsburgh in objectives and content, as explicated in the University of Pittsburgh's The Pitt Connection Butler County Community College .

- The number of credits reduced or granted for a given course can neither exceed the number on the official transcript from the School where they were earned, nor the number earned in the corresponding course at the University of Pittsburgh.
- No transfer credits can be part of the final thirty credits required for the BASW degree. The final thirty credits must be earned in residence at the University of Pittsburgh.
- All transfer credits are subject to re-evaluation if and when the student transfers from one school to another within the University of Pittsburgh.
- Not more than 60 credits can be transferred from BC3 to the University of Pittsburgh, according to the University of Pittsburgh Transfer Credit Policy.
- If a course for which transfer credit has been awarded is repeated, the transfer credit is canceled and the student must enroll in another course to make up those transfer credits.
- Transfer credits awarded by the University of Pittsburgh's College of General Studies from the College Level Examination Program (CLEP) will be accepted consistent with the aforementioned policies.
- Transfer credits awarded by the University of Pittsburgh's College of Arts and Sciences for advanced placement will be accepted consistent with the aforementioned policies.
- Consistent with the Council on Social Work Education's, Educational Policies and Accreditation Standards, the School of Social Work does not grant course or field credit, transfer credit, or exemptions for prior life, volunteer, or employment experience.
- Transfer credits for liberal arts courses in which the student has received a C grade or better do not have a statute of limitations, though the BASW Program reserves the right not to accept liberal arts courses for transfer if the content is deemed outdated.
- Transfer credit for social work courses in which the student has received a C grade or better must have been completed within the previous seven academic calendar years at a social work program accredited by the Council on Social Work Education when such work is evaluated as entirely comparable.
- Transfer credits will be calculated by the Administrative Support Staff person assigned to the BASW Program and included in the student's permanent record prior to registration for the Spring Term following the student's matriculation into the BASW Program.
- A student may appeal a negative ruling regarding transfer credit to the Academic and Professional Behavior Review Committee, following the procedures described in the Student Handbook for filing student grievances.

For admission to the Bachelor of Arts in Social Work program (BASW), an applicant must meet the following requirements:

Completion of 60 transferable credits and/or completion of the Associate of Science at BC3. The distribution of liberal arts credits should be as follows:

Humanities	9 crs.
Natural Sciences	9 crs.
Social Sciences	9 crs.
Other courses (preferably in the social sciences)	33 crs.

BC3 Courses Which Will Fulfill Specific Liberal Arts Requirements:

BUTLER COUNTY COMMUNITY COLLEGE

CURRICULUM PLANNER

SOCIAL WORK – No. 118

Associate in Arts Degree

The Social Work major is for students intending to transfer to a four-year institution to complete a Bachelor's Degree in Social Work (BSW). The curriculum is designed to meet the requirements for a BSW transfer as per the Council on Social Work Education. Each four-year institution determines which BC3 courses are acceptable in transfer.

Program - Minimum 62 Credits

First Semester

College Writing *	ENGL 101 or 104	3
Introduction to Social Work*	SOCW 101	3
Social Welfare History*	SOCW 106	3
Mathematics Elective* a	MATH____	3
Introduction to Computer Applications*	COMP 121	3
		15

Second Semester

Research Writing or Literary Research Writing*	ENGL 102 or 104	3
Social Sciences Elective or Social Work Elective*	--------------------	3
Human Diversity*	SOCW 102	3
General Psychology	PSYC 201	3
Human Biology (for nonscience majors)*	BIOL 116	4
		16

Third Semester

Speech	COMM 201	3
Social Sciences Elective or Social Work Elective b	_____	3
Literature Elective *	_____	3
Principles of Sociology	SOCI 211	3
American National Government or Economics	POLI 210 or ECON _____	4
Physical Education Elective	_____	1
		16

Fourth Semester

Health Science	HLTH 120	3
Human Behavior and the Social Environment*	SOCW 202	3
Ethics	PHIL 208	3
Humanities Elective	_____	3
Natural Sciences Elective	_____	3/4
		15/16

* Indicates Course has a co-requisite or a prerequisite

a The Mathematics Elective must be taken from the listing in Group III.

b The Social Work Elective should be selected from the following: SOCW 103, SOCW 104*, SOCW 105*, SOCW107, SOCW 201*

This is a suggested curriculum guideline. The student is encouraged to use the curriculum planner to keep track of courses taken and those still needed. In some cases, one or more courses may be taken in a different order than indicated on the planner; however, individual course prerequisites must be observed.

LIBERAL ARTS COURSES

*Indicates course has a prerequisite: Please check the College Catalog for details.
NOTE: Numbers within parentheses indicate course credit value.
Physical Education, Communication, Education, Criminology, Technology, and Business Courses may be used as general electives.
